The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

EXPLANATORY NOTES:

Resolution 4 – Directors' power to allot relevant securities

Under section 551 of the Act, relevant securities may only be issued with the consent of the shareholders, unless the shareholders pass a resolution generally authorising the directors to issue shares without further reference to the shareholders. This resolution authorises the general issue of shares up to an aggregate nominal value of £165,000, which is equal to $\frac{1}{4}$ of the nominal value of the current ordinary share capital of the Company and a further issue of shares up to an aggregate nominal value of £165,000, which is equal to a further $\frac{1}{4}$ of the nominal value of the current share capital of the Company for the purposes of fully pre-emptive rights issues. Such authorities will expire at the conclusion of the next annual general meeting of the Company or the date which is 6 months after the next accounting reference date of the Company (whichever is the earlier).

Resolution 5 – Disapplication of pre-emption rights on equity issues for cash

Section 561 of the Act requires that a company issuing shares for cash must first offer them to existing shareholders following a statutory procedure which, in the case of a rights issue, may prove to be both costly and cumbersome. This resolution excludes that statutory procedure as far as rights issues are concerned. It also enables the directors to allot shares up to an aggregate nominal value of £75,000, which is equal to 15 per cent. of the nominal value of the current ordinary share capital of the Company, subject to resolution 3 being passed. The directors believe that the limited powers provided by this resolution will maintain a desirable degree of flexibility. Unless previously revoked or varied, the disapplication will expire on the conclusion of the next annual general meeting of the Company or on the date which is 6 months after the next accounting reference date of the Company (whichever is the earlier).
